Summer Social - July 19th

Thanks to all who were able to attend our Summer Social. Here's a pic of the group (minus Trish who took the picture....)

From Ken:

I'm writing this on a full stomach after just returning from DSG's Summer Social where we had BBQ and all the trimmings and then some. Thanks to all who brought food and shared fellowship with each other! We missed all of you who couldn't make it!

AWARENESS PROJECTS - Pat reported on the 4 people we've uncovered that suffer from Dystonia since our last meeting...3 from bookmarks and 1 from University of Alabama's press release about the ALABAMA DYSTONIA SCHOLARS. Pat's also signed up for a display booth at the Shelby County Fair in September. Evelyn is working with Pat on a possible display booth at the Cullman County Health Fair. Ken & Rita handled the display booth at the Pell City Block party all by themselves. Thanks!
